This Show is conducted under the Rules and Regulations of Dogs NSW, a copy of which may be perused at the Secretary's office.

Exhibitors please note, in accordance with Section 14.10 of these Regulations, Part II Show, it is the obligation of each owner, exhibitor and handler at a show to take all such steps as may be necessary to ensure that any dog under that person's care or control for which that person is responsible does not behave in an aggressive manner". Further, it is the obligation of any person at a show who observes a dog behaving in an aggressive manner to report the incident either orally or in writing to a member of the Show Committee as soon as possible after the incident.

DOBERMANN BREED STANDARD

KENNEL CLUB, LONDON 1994 UPDATED 2009

GENERAL APPEARANCE - Medium size, muscular and elegant, with well set body. Of proud carriage, compact and tough. Capable of great speed.

CHARACTERISTICS - Intelligent and firm of character, loyal and obedient.

TEMPERAMENT - Bold and alert. Shyness or viciousness very highly undesirable.

HEAD AND SKULL - In proportion to body. Long, well filled out under eyes and clean cut, with good depth of muzzle. Seen from above and side, resembles an elongated blunt wedge. Upper part of head flat and free from wrinkle. Top of skull flat, slight stop; muzzle line extending parallel to top line of skull. Cheeks flat, lips tight. Nose solid black in black dogs, solid dark brown in brown dogs, solid dark grey in blue dogs and light brown in fawn dogs. Head out of balance in proportion to body, dish faced, snipy or cheeky very highly undesirable.

EYES - Almond-shaped, not round, moderately deep set, not prominent, with lively, alert expression. Iris of uniform colour, ranging from medium to darkest brown in black dogs, the darker shade being more desirable. In browns, blues, or fawns, colour of iris blends with that of markings, but not of lighter hue than markings; light eyes in black dogs highly undesirable.

EARS - Small, neat, set high on head. Normally dropped, but may be erect.

MOUTH - Well developed, solid and strong with a complete dentition and a perfect, regular and complete scissor bite, i.e. the upper teeth closely overlapping the lower teeth and set square to the jaws. Evenly placed teeth. Undershot, overshot or badly arranged teeth highly undesirable.

NECK - Fairly long and lean, carried with considerable nobility; slightly convex and in proportion to shape of dog. Region of nape very muscular. Dewlap and loose skin undesirable.

FOREQUARTERS - Shoulder blade and upper arm meet at an angle of 90 degrees. Shoulder blade and upper arm approximately equal in length. Short upper arm relative to shoulder blade highly undesirable. Legs seen from front and side, perfectly straight and parallel to each other from elbow to pastern; muscled and sinewy, with round bone in proportion to body structure. Standing or gaiting, elbow lies close to brisket.

BODY - Square, height measured vertically from ground to highest point at withers equal to length from forechest to rear projection of upper thigh. Forechest well developed. Back short and firm, with strong, straight topline sloping slightly from withers to croup; bitches may be slightly longer to loin. Ribs deep and well sprung, reaching to elbow. Belly fairly well tucked up. Long, weak, or roach backs highly undesirable.

HINDQUARTERS - Legs parallel to each other and moderately wide apart. Pelvis falling away from spinal column at an angle of about 30 degrees. Croup well filled out. Hindquarters well developed and muscular; long, well bent stifle; hocks turning neither in nor out. When standing, hock to heel perpendicular to the ground.

FEET - Well arched, compact, and cat-like, turning neither in nor out. All dewclaws removed. Long, flat deviating feet and/or weak pasterns highly undesirable.

TAIL – Docked: Docked at first or second joint; appears to be a continuation of spine without material drop.

Undocked: Appears to be continuation of spine without material drop, kink or deformity. May be raised and carried freely when the dog is moving or standing

GAIT/MOVEMENT - Elastic, free, balanced and vigorous, with good reach in forequarters and driving power in hindquarters. When trotting, should have strong rear drive, with apparent rotary motion of hindquarters. Rear and front legs thrown neither in nor out. Back remains strong and firm.

COAT - Smooth, short, hard, thick and close lying. Imperceptible undercoat on neck permissible. Hair forming a ridge on back of neck and/or along spine highly undesirable.

COLOUR - Definite black, brown, blue or fawn (Isabella) only, with rust red markings. Markings to be sharply defined, appearing above each eye, on muzzle, throat and forechest, on all legs and feet and below tail. White markings of any kind highly undesirable.

SIZE - Ideal height: Dogs 69 cms (27 ins) at withers Bitches 65 cms (25½ ins) at withers. Considerable deviation from this ideal undesirable.

FAULTS - Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree.

NOTE - Male animals should have two apparently normal testicles fully descended into the scrotum.

PRESIDENT'S MESSAGE

Welcome to The Dobermann Club of NSW Inc's two Specialty Shows today, the day before the commencement of the Dogs NSW Spring Fair.

Our Judges today are Mrs Vicki Yates from Queensland and Mr Nikola Volic from Serbia. I am sure they will both be presented with some wonderful examples of our Breed and I thank them for their willingness to be involved with our Shows.

It goes without saying that events such as these rely heavily on the support of Sponsors, Exhibitors and Members to make the day a success.

To our Sponsors, Poseidon Animal Health, Poochwear, Bucky & Sam, Orivet, and all those enthusiasts who have sponsored a Class today your support is very much appreciated.

Many of our exhibitors have travelled long distances to be here and support the purebred Dobermann and without such people our Breed would be in a very poor state. Many thanks to our exhibitors who have devoted years to the preservation and promotion of purebred Dobermanns and will continue to do so well into the future.

The Members, both Committee Members and others who devote their time and effort to ensure that this event runs smoothly and that everyone enjoys the day deserve special mention. As anyone who has been involved in the planning and organisation of such a Show would know many things happen behind the scenes to ensure its success.

Our Steward today is Mel Harrison and our Dogs NSW Representative is Kaye St Lawrence without whom, again, the day would not be possible.

Please enjoy the day, come and talk to Committee Members and other enthusiasts about the wonderful Dobermann breed.

VICKI YATES

I was raised in Grafton Northern New South Wales. My association with pedigree dogs started after I got married and moved to Brisbane in 1982. My husband's uncle and aunt owned & exhibited Dalmatians and English Spring Spaniels. Michael travelled a lot for work so we decided to get a companion for me while he was away. We purchased our first Dobermann from Malcolm and Desley Symes of Rhondmark Dobermanns and with encouragement from them we entered the Dog World and we are still here enjoying our passion.

With our daughter Denise we currently own, breed and exhibit BISS MBIS Dobermanns and BISS MBIS Bullmastiffs under the Salieri prefix I also co breed under the Gentry prefix with our good friend Deb Romans. I have also exhibited Foxhounds, Siberian Husky's and Giant Schnauzers.

I am very honoured to be selected as the Judge today..

DOB 04.10.20

BREEDER: MONELITE DOBERMANNS
HANDLER: SONYA DANKHA
OWNERS: SONYA DANKHA & MONIKA KAWECKI

Mr Nikola Volic (Serbia)

I want to express my heartfelt gratitude for the opportunity to judge at 2024 Spring Fair Championship Show in Sydney. I am sincerely thankful for this honour.

I was born in 1993 into a family deeply involved in dog breeding. My grandfather had a passion for English Pointers, but my father, Milan Volic, established the renowned Dobermann kennel "ODOS" back in 1986. My journey with English Cocker Spaniels began at the age of 12 when I got my first one, and I immediately fell in love with them. In the "ODOS" kennel, we've raised over 20 Cocker Spaniel litter in six generations, with 13 of our dogs earning the title of the International Champion, many receiving National titles and Club winner titles across Europe. I was also a successful Junior Handler working with so many different dog breeds, representing my country at the European Dog Show, World Dog Show, and CRUFTS 2011.

I became an FCI judge in 2013, making me one of the youngest judges within the Serbian Kennel Club at just 19 years of age. In my relatively short judging career, I had the opportunity to judge many quality dogs on International, National and Club shows in the UK, France, Germany, Norway, Poland, Russia, Hungary, Croatia, and Serbia.

Thank you once again for the invitation to judge dogs in Australia. I sincerely appreciate the opportunity and look forward to contributing to the event.

Dobermann
