The **EMMETT Technique** is a safe, unique form of muscle release therapy, which is internationally recognised and effective on both people and animals.

EMMETT Therapy involves the application of light finger pressure at specific points on the body, relieving pain and discomfort, creating postural changes, improving movement, flexibility and overall well-being. These points are referred to as 'Emmett points' and are different to traditional trigger or acupressure points described in any other therapy.

Key features of EMMETT Technique treatments:

- Accurate and fast assessments of body imbalances
- Can be done sitting, lying or standing
- Pressure applied does not need to be firm or painful
- Suitable for babies, during pregnancy, the elderly and everyone in between

Symptoms which may be relieved:

Injuries from sport or accidents

Unbalanced gait or stance

Lead/harness strain

Lower back distress

Inhibited movement

Muscle restrictions

Poor performance

Behavior changes

CHAMPIONSHIP SHOW JUDGE

Mrs Stephanie Rickard (Vic)

I entered the world of purebred dogs in 1970 with English Springer Spaniels and since then, together with my husband David, I have bred or owned 141 champions in English Springer Spaniels, American Cocker Spaniels, Cocker Spaniels, Pointer, Cavalier King Charles Spaniels and Papillons.

Among our Champions are many Best in Show winners; including Royal Melbourne Show and more than twenty-five breed Specialties. "Wongan" bred English Springer Spaniels hold the record for breed Specialty BIS in Australia. Our Cavalier King Charles Spaniel was Top Toy Dog in Australia in 2007 and, since 2010, we have been involved with Papillons among which is UK/Aust Ch Rozamie Moulin Rouge (Imp UK) – UK's Top Papillon for 2011.

I have held executive positions on Specialty and All Breeds Clubs. I am a Life Member of the Victorian English Springer Spaniel Club and Metropolitan Canine Association and, since 1993, I have held an All Breeds judging license. I am also an accredited ANKC Tester for licensing judges. As a retired teacher, I am passionate about Education and have been involved in Judges' Training for more than 30 years.

I have judged in The Philippines, U.S.A., Finland, Sweden, Canada, India, Singapore, U.K., Thailand, Japan, Indonesia, China, Norway, South Korea, and Taiwan as well as extensively throughout Australia and New Zealand. Along with many other breed specialties around the world, I have been fortunate to judge English Springers at the Swedish ESS Championship Show and at championship level twice in the UK, namely The Southern ESS Club Specialty Show and at Manchester where I also judged Papillons.

Thank you for your kind invitation. I am very much looking forward to judging for you.

Ms Rosie Hawkins

Victoria

I have been involved with dogs all my life, with my family bringing me home from hospital and picking up our first show dog the same day.

I established my own prefix in 1983 "Papco" Papillons.

I am currently licensed to judge group 1 and 7 and aspiring for group 4 & 5.

I am looking forward to judging the property classes of the White Swiss Shepherd Dogs.
