SPECIALTY CHAMPIONSHIP
SHOW 2025

President's Welcome

Welcome to the 2025 Australian Terrier Club of SA Specialty Show. Once again, our Show is being held in the Hall at David Roche Park as an insurance policy against wet weather! We would especially like to extend a very warm welcome to any visitors from rural SA or interstate as well as our locals. Staging a Show like this, even for a small number of entries, takes a lot of planning and work for those involved in the organization of the event. Our committee does a great job of running our Club and staging not just the Specialty Show but a wide variety of activities for all members, most of whom are not involved in participating in the Show scene.

You may ask why we hold such an event. There are several reasons. There are two reasons that stand out.

Firstly, as breeders we show our dogs to gauge how they perform against other similar dogs. This is always matched up against a document called "The Standard". In other words, a group of experts in the past, has come up with a description of what constitutes a perfect Australian Terrier, physically and temperamentally. The process of 'campaigning' a dog or bitch is an effort to improve the Breed against the criteria of The Standard. Ultimately, the puppy which pet owners bring home is the result of this quality improvement process over many generations.

Secondly, showing our dogs also helps us achieve our aim of promoting the Breed, whether it be to other dog breed owners or those people who simply come to a Show to watch. A "Specialty Show" is an occasion where one expects a wider, better quality of dogs than usual. Many of these dogs will come from interstate or from owners who would not normally show their dogs. The public can then get a clearer picture of what constitutes a good Aussie which will assist in their choices when it comes to them taking one into their own homes.

I would like to welcome our Judge, Mr Valentinas Stiklius from Lithuania who has come all the way from Europe to judge at our Show. Mr Stiklius brings a wealth of knowledge and experience with Terriers to his judging today. We are also very grateful to have secured the services, once again, of Ms Ashleigh Divola as Steward for our Show. Ashleigh is an efficient, well-organized person who also has a calm manner and puts all exhibitors at ease in the Show Ring. Thank you for helping us out today, Ashleigh. Finally, thanks to our Club Secretary, Mrs Cathy Charles and her committee for all their tireless efforts in planning and staging this Show today. Let the Games begin!

Orivet

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
