K9 Grooming & Emmett Therapy

Emmett Therapy
Certified Practitioner
Yvonne Campbell
0402 704 734

The EMMETT Technique is a safe, unique form of muscle release therapy, which is internationally recognised and effective on both people and animals.

EMMETT Therapy involves the application of light finger pressure at specific points on the body, relieving pain and discomfort, creating postural changes, improving movement, flexibility and overall well-being. These points are referred to as 'Emmett points' and are different to traditional trigger or acupressure points described in any other therapy.

Key features of EMMETT Technique treatments:

- Accurate and fast assessments of body imbalances
- Can be done sitting, lying or standing
- Pressure applied does not need to be firm or painful
- Suitable for babies, during pregnancy, the elderly

and everyone in between

Symptoms which may be relieved:

Injuries from sport or accidents

Unbalanced gait or stance

Lead/harness strain

Lower back distress

Inhibited movement

Muscle restrictions

Poor performance

Behavior changes

“Buddha”

CH & Neuter Grand CH Amoreruby Buddha Blue (AI)

7 April 2017

BUDDHA was 1 of 10 puppies. Unfortunately his mother passed and he had to be tube fed. He's a beautiful sweet natured boy, who loves his car rides and loves to pull his cart. He's very much loved.

“Summer”

Grand CH Newflabel Straight Fromtheart

24 September 2014

“Savannah”

CH Newflabel Black Diamond (AI)

5 March 2018

Mother & Daughter “Summer” nearly 11yrs old & “Savannah” 7yrs.
They love the outdoors, going swimming, walking with their dog friends, visiting
& being social.

“Summer” my fun-loving girl loves to sleep in while everyone else is up & about.
Now retired from the show ring, although she still enjoys going along for the
outing.

“Savannah” my beautiful girl has always been very social, absolutely loves
visitors all the attention, all the pats & love to come her way.

“Jazzi” Amblebrook Miss Is It

Jazzi, our beloved Landseer, is turning 8 this November, and our hearts swell with joy and gratitude for the years we've shared with her. She fills our home with love, alongside Maxi, our gentle Bernese Mountain Dog, and Lainey, our spirited Newfoundland puppy.

Jazzi is the embodiment of tranquillity, her serene presence and endearing snores a constant source of comfort. Her boundless affection for people, especially children, is a testament to her gentle soul.

She showers us with kisses and the warmest Newfie cuddles, making every day brighter.

At work, Jazzi is more than just a companion; she's a cherished member of our team. She confidently strides into board meetings, her presence a delightful reminder of the simple joys in life. Her unwavering support for Maxi during his show ring adventures, cheering him on from the sidelines, speaks volumes of her loving nature.

Jazzi has an incredible knack for stress relief. Her calm demeanour and affectionate nature have a magical way of melting away the worries of the day. Whether it's her gentle nuzzles or just her being there, she brings a sense of peace and happiness that is truly priceless.

Our beautiful black and white Landseer, affectionately known as our "cow girl," recently got a stylish new look with a fresh clip and a charming bobble head. We adore her to bits and are endlessly grateful for the joy, love, and laughter she brings into our lives every single day. 😊

Long live Jazzi girl and we hope she enjoys her debut in the show ring to celebrate the amazing 50th Anniversary of the Newfoundland Club. [Congratulations](#) to everyone and thanks for letting us enjoy it with you.

“Onyx”

Neuter Grand CH Capebass The Coming Storm (AI)

Onyx has been the sweetest kindest soul ever since we brought him home all those years ago, he was the first puppy Chris and I raised together and what an absolute brat he was.

He landscaped our back yard multiple times to his liking, decided the trailer light plug needed replacing so he removed it for us.

The leather couch... well that looked better with the hole in the back.

But through all the naughtiness we had an absolute cracker of a dog. Onyx started out life with pano and continued to just a list of ailments as long as your arm over the years but he never let it affect him and what feels like 4 terminal diagnoses later he's still here!

After being desexed he entered the ring as a neuter, not that he thought he should be doing anything but getting cuddles, he had an amazing career and he loved every second of being out there.

We are so proud that he's made it to the Veteran age after being told to not expect him to make it to 5. We treasure every moment with him and hope for many more.

“Moni”
Grand CH & Neuter CH Amblebrook Ebony And Ivory
5 May 2016

Moni is our 9-year-old Landseer bitch born at Amblebrook in the Adelaide hills; It was a mutual love at first sight. She finally came to us at 4 months old, she had an impressive show career while teaching me all about the show world and how to work with your dog along the way.

She has held the number one bitch title nationally in the Dogzonline breed challenge point score in both 2021 and 2022 as well as being the top South Australian Newfoundland overall for both years.

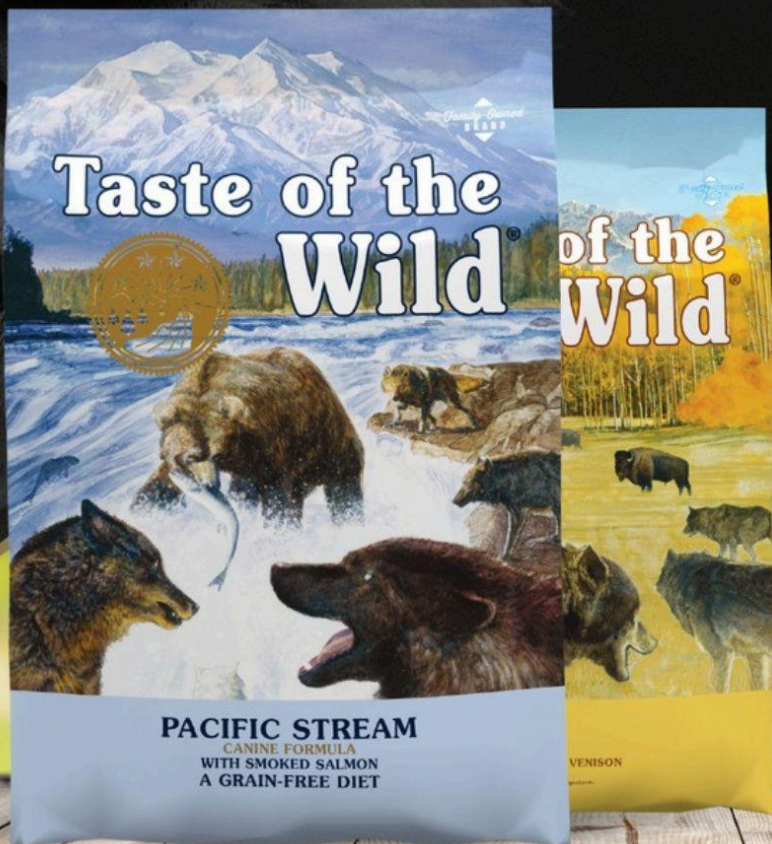

After gaining her Grand Champion title at 6 and a half she took a break from the ring so we could focus on her granddaughter and let her enjoy her expo and breed promotion events instead. She made a return to the ring in 2023 as a neuter and quickly achieved her neuter title with multiple in show wins. Now from the ring, she spends her days bossing her great grand kids around and stealing the best spot on the lounge.

“Giraffe”
Planhaven Raffee
28 October 2011

This 13 year old crusty man is well past his expiry. He attributes his long life to eating anything and everything, getting daily massages from the cat, and never giving up on your goals. It took him 12 years to figure out how to open the pantry, the self service has been worth it.
