It is not the responsibility of the Secretary or the producer of the show catalogue to ensure the correctness of entry forms.

MEET YOUR JUDGE MS ALISHA VAN VLIET

I have held a lifelong love of Dalmatians, owning my first at 11 years old, a 'rescue' through DCOV. Years later a series of events led me to the pedigree dog world in 2012 where I started showing a 1yo girl (Juliette) and quickly became hooked in this world of dogs and talking dogs. Later that same year I got my first show puppy (Romeo) and was fortunate to have wonderful success with him, which only drove me forward. These two became two of my foundation dogs and over the 13 years I have progressed to have bred multiple litters with many Champions and more recently my first home bred Grand and Supreme Champions. My dogs also compete in a few performance disciplines for both their and my enjoyment, but most importantly they are a part of my home where they thrive on being a part of my daily life.

I am naturally a very analytical person and thus have spent hours upon hours researching Dalmatians and dog structure to try to understand what features are needed to make the perfect functional Dalmatian. I decided that I wanted to apply this knowledge to judging, and hence I started the traineeship. Commencing the non-sporting training has been wonderful, to gain so much insight into other breeds and presenting alternative perspectives to consider. It offers challenges as we work to gain a level of understanding of each breed, such as we do of our own. The more that we learn, the more that we realise we have to learn.

I may have stumbled into the dog world by a series of events, but I cannot be more thankful for finding such a wonderful group of people to welcome me in, which has then expanded out to this amazing and passionate collective. I would like to thank you for appointing me to judge the Open show this year. It is an honour to be selected and be given the opportunity to go over your beautiful dogs. Thank you for your entries and for assisting us with the trainee scheme. It is so important in our learning process, as we never stop learning.

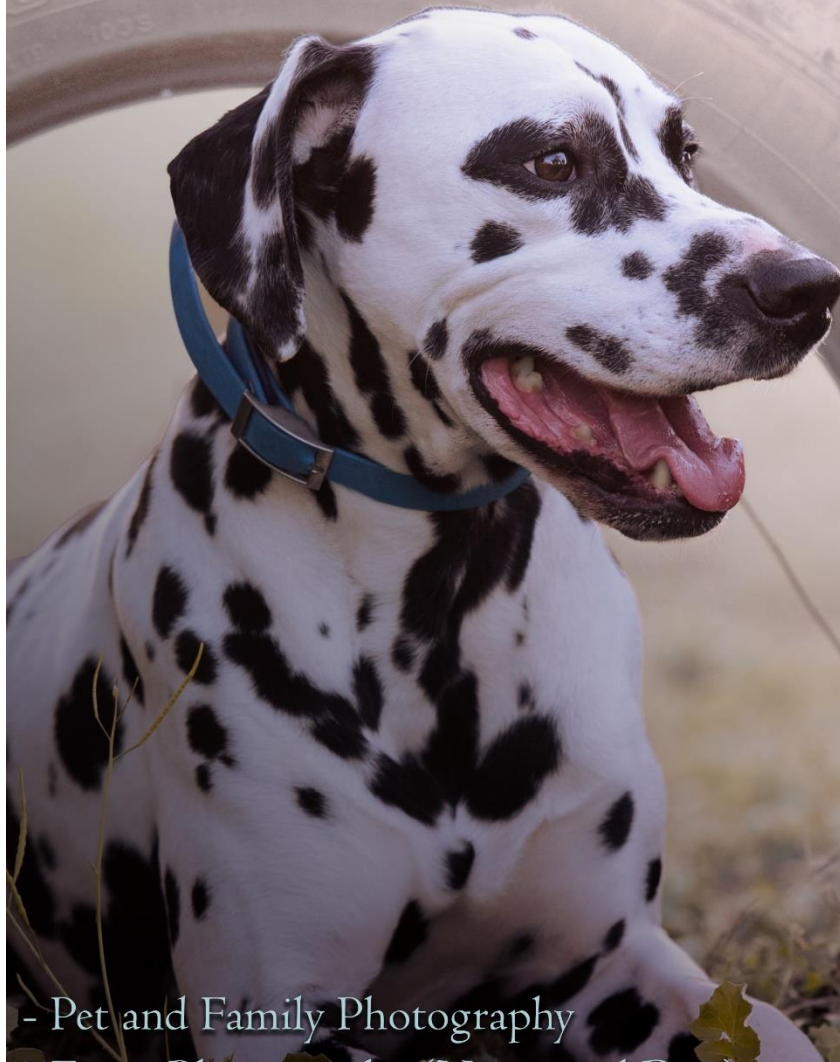

Alisha Van Vliet
