## Judge: Peter Scarth (UK)

### Bigglesmere Löwchen

Peter attended his first dog show in the summer of 1966 with his father and their GSD. He spent the next couple of years going around shows with his father and aunty who showed Chihuahuas.

In the late 1970s he became more interested in the working side of dogs and worked his GSDs in working trials and became a qualified trainer for the Leeds branch of ASPADS (Associated Sheep Police and Army Dogs Society). Peter spent many happy Sunday mornings in the pouring rain training Joe Public how to train their family pets before working his own dogs. Peter's partner Michael also used to come along and in the end got roped into being the Branch Treasurer.

Peter and Michael registered their joint affix in 1979, when they wanted to breed their first litter instead of buying in and kept a puppy from this litter and handled it with her brother back in the show ring. Michael loved Collies and they purchased and became deeply involved in Rough Collies and then Smooth and Border Collies and Shetland Sheepdogs. Currently in the UK Peter is passed to award challenge Certificates in five breeds: Rough, Smooth and Border Collies, Miniature Pinchers and Löwchens. Under FCI affiliated countries he is also passed for Bearded Collies and Shetland Sheepdogs.

In the early 80s Peter became enchanted with a new breed he had spotted at a Championship Show and researched this breed for several years- Löwchen. This was the start of an obsession that remains today and as they say 'The Rest Is History'. Some of his and Michael's achievements have been: the only kennel to breed three specialty BIS in the same year on three different continents; breeding the first Westminster BOB after full recognition and being only the second kennel to have bred both challenge winners at Crufts at the same show. Peter has had the honour of judging this breed in the UK and he has judged the three main Scandinavian specialties, Norway, Finland and 2015 Sweden.

This apart, their main interest has always been in helping to promote the breed and with the help of others to improve this small breed's gene pool.

Jazz was campaigned in Tasmania by Ruth Davis, winning many class in group awards as well as at least one Hobart Royal Best of Breed award. When Ruth retired him and he came back to Victoria. Jazz amassed over 700 challenge points and was well on his way to his Grand Championship. Over the last few years, Jazz has lived a life of happy retirement, siring such pups as Ch Rondaglen That's Entertainment (Chevy) and Ch Rondaglen Let Me Entertain You (Wicked). At almost 10 years of age he can still occasionally be seen strutting his stuff in the show ring.

During Poppy's short but successful show career she won hearts around the group 1 ring for her personality and trolley crawling to sample other dogs' treats. She was awarded many classes in group but her biggest achievement was winning Best of Breed at the Royal Adelaide Show in 2010, handled by Courtney Tulk. Her offspring include Ch Rondaglen Fire Dancer, Ch Rondaglen Lion Tamer, Ch Rondaglen Summer Breeze and Ch Rondaglen Summer Lovin. Sadly she developed an enlarged heart at the age of four so had to be retired but she continues to keep us entertained with her gorgeous personality.

Lola was Lou's introduction to Lowchen as a breed and the foundation of Wyntervale Lowchen. She started her show career at 15 months old after being clipped off.

Lola gained her Championship title within 12 months of showing, also winning Best in Specialty Show at the inaugural Varieties of Bichon Related Breeds Club of Victoria Open Show. She then went on to produce six puppies in two litters including two Champions who are both Best in Group and Royal Best of Breed winners. Lola has returned to the ring after five years to start her career in the neuter class.

Pippa started her career winning Baby, Minor and Puppy in groups and show. At 10 months old she became ill, she had a hole in her heart and I was told she would die within days.

With help from my homeopathic vet, Pippa finished her title at 14 months and went on to do a lot more winning becoming top Neuter Toy in Victoria and second in Australia, winning 10 all breeds Neuter in Groups, four in Shows and seven specialty Neuter in Shows. Pippa is a lovely example of the breed, being sound and of excellent breed type.

Ch Neut Ch Tilcha Faint Perfume (Mel) has produced two litters, her first produced Opal (Ch Tilcha Fragrant Shalimar) who went on to produce a lovely litter and Manni (Gr Ch Tilcha Giorgio Armani) who is enjoying ongoing success in the ring and has sired his first litter. Mel's second litter produced Razzi (Ch Tilcha Chanel T Impress) who is now concentrating on a range of sports and attained her first tracking title.

Mel has retired from breeding and now enjoys sleeping on the couch and some obedience training, for fun and socialising. Mel likes helping her mum in the garden and showing in Neuter class.
