Loas Way

12/8/1928 to 1/11/2015

Loas was born into an animal loving family in Wagga Wagga, NSW. As an only child she grew up with dogs and cats as companions. Whilst a few Heinz varieties were her childhood companions, her favourite dog as a teenager and young adult was her adored but rather bad tempered Pekingese, Manny. Not known for his love of anyone other than Mum, Manny was known to nip, and in fact bit her then boyfriend, later husband of 62 years Cec, quite early in their courtship!

Dogs were always house dogs – including her father’s greyhounds, in fact the most successful of these racing greyhounds slept on the bed with her parents! They were considered part of the family and throughout her life she followed that creed.

The addition of Pugs into the Way household followed on from 15 years of Cairn Terriers. The first pug, Nukoki, was a much adored (desexed) pet and it was decided to get another friend for Koki, another girl. However fate stepped in and Cec fell in love with a black dog, Helemund Van Der Mint. “Nippy” was Loas’ shadow and became the first show dog in the Way family.

Loas’ adored all her dogs but, like all of us she had her “heart dogs” - BIS BISS Ch Gilgai Makaha “Sam” and Clarevale Stanley Steamer “Stanley”. Both these dogs could literally get Loas to do whatever she wanted. As a youngster, “Sam” found that playing at 4am was fun, so for months Loas faithfully got up every day at 4am to play with him.

Loas’ “last” show dog was Ch Neut Ch Hugapug Forever In Blue Jeans “PJ”. The only fawn in a litter of 6, and born just weeks after Cec’s passing, Felicity was determined to only keep a black, but it was at Loas’ insistence that PJ remained and was shown. Loas took enormous delight from his wins and his ‘fringies’ adorned her room.

As Loas was always keen to become involved in activities and clubs, she and Cec joined the Pug Club and became active committee members, holding a variety of executive positions for nearly 20 years.

However it was Loas’ love of the dogs as friends and companions and not as show dogs that shone through. She and Cec always had a pug and after Cec suddenly passed away in 2012, Loas moved to Kangara Waters, Aged Care Facility their much adored dog Ch Clarevale Basil Brush moved in with Felicity and Rob. He was 15 and pined dreadfully for Cec and Loas.

Basil wasn’t really up to visiting Loas so it was “the little black dog”, Ch Scarborough Without a Trace (Imp NZ), “Jak” who took over the role of visiting friend... Jak loved his regular trips to Kangara Waters and he quickly became a favorite of both the residents and the staff. He used to ride on the seat of Loas’ walker when she would go to see Felicity and Jak off, he would sit on her bed, throw her knitting on the floor and generally organise everyone to make sure of his comfort – much to Loas’ delight.

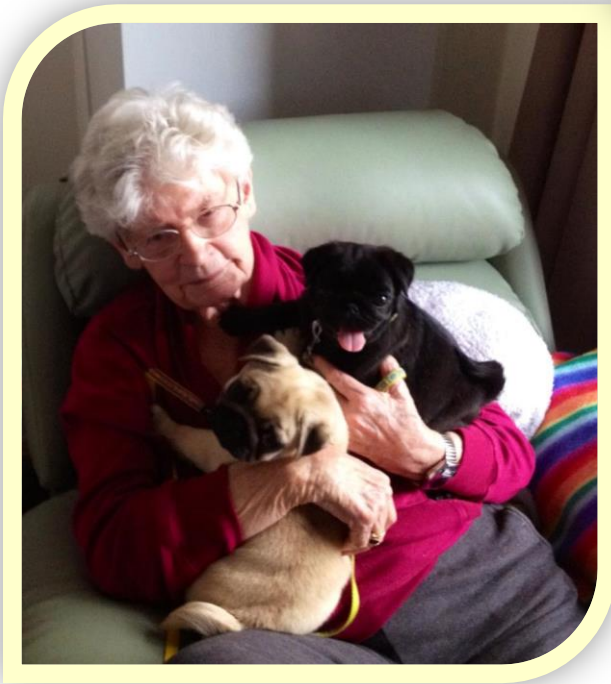

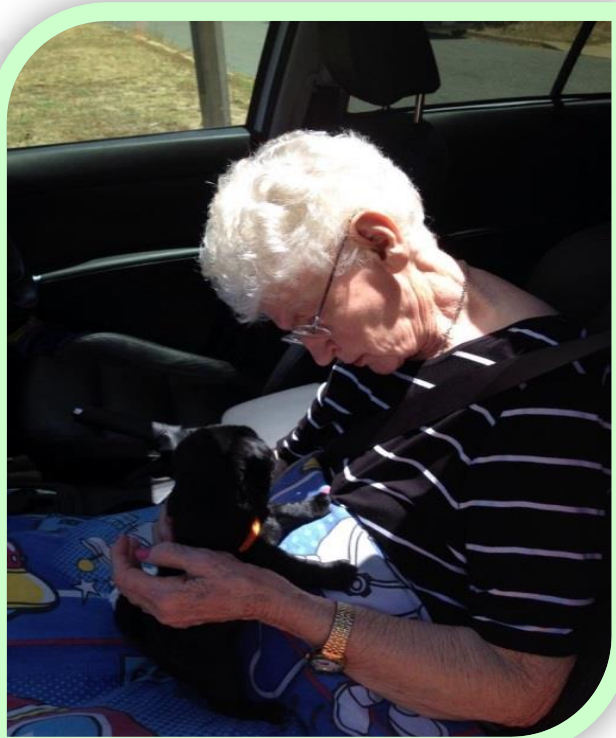

In fact it was Jak who faithfully lay on Loas’ bed for hours and hours every day for 3 months following her terminal diagnosis. Loas lived for his visits and in fact passed away within about 2 minutes of his arrival on 1 November 2015. She left us with her arm around and her hand resting on his back and in her other arm, a stuffed toy pug, affectionately known as Freddy snuggled in.

A true Pug Lover, Loas absolutely hated having her photo taken and so it was only in her later years with her adored “Jak” that pictures of her exist.

RIP Loas, no doubt you and Cec and the Hugapug’s who preceded you have reunited at the Bridge.

Silver Eagle's CoolChampion cooling products target heat stress potential in canines by using evaporative cooling to supplement the dog's natural cooling process.

- Water-activated in minutes for hours of cooling comfort
- Creates artificial perspiration that actively pulls away excess heat
- Helps maintain the dog's normal body temperature
- Reduces heavy panting that would otherwise unduly distress the dog
- Protects dog against heat stress, acidosis and dehydration
- Effective for post-activity recovery and cool-down
- Ideal for traveling
- Limited weight gain when activated preserves the normal loft of the dog's coat
- Precision design provides a secure and comfortable fit with elastic Velcro straps for easy adjustment
- Durable, quality construction for year-round use
- Can be worn dry as an ultra-light insulator
- Machine washable, line or machine-dry
