Resumes of LKAQ Judges

Mrs Helen Hill (Vic)

Helen obtained her first purebred dog, a Samoyed in 1975 and as luck would have it, a very good one from a top kennel. With the help of the breeder's daughter she exhibited him quite successfully and two bitches followed to start her kennel "Mezen" She also has a Miniature Longhaired Dachshund. As much as she enjoyed the show ring, breeding was where her passion lay. She took up judging to enhance her knowledge of dogs and has enjoyed the study. She has judged in NSW, VIC, SA and TAS. She has also judged Samoyeds in England and Slovakia.

Miss Margaret Joyce (VIC)

Margaret started showing in 1963 with a Beagle and later commenced an involvement with Cocker Spaniels. She has handled an Australian Terrier for Marj Bywater (Severn Oaks). Her current breed is Boxers.

Mr Robert Lucas (NSW)

Robert became interested in showing dogs as a child, having been brought up in a household of Dachshunds. His first show dog however, was a Dalmatian purchased in 1979, and he has continued to breed and exhibit Dalmatians ever since; firstly under the Dalriant prefix, and subsequently under Ravenwynter. In that time his kennel has made up over 30 Champions, including several Grand Champions. His dogs have won 16 Best in Show awards including 8 Dalmatian Specialties, and 10 Royal Show Challenges throughout Australia. On many occasions, he has won the prestigious Challenge Cup for top Dalmatian in NSW. Other breeds that he has been associated with are German Shorthaired Pointers and Beagles.

Ms Rosemary Duffy

Rosemary acquired a Border Collie as her first show dog in 1974 and stayed with showing and trialling that breed for some 18 years. In 1993 she decided to move to Cavaliers as a smaller breed and she has bred and shown this breed ever since. Rosemary has also campaigned a Lakeland Terrier.

Mrs Sandra Mashford

As a young girl Sandra showed and bred Welsh Corgi Pembrokes in conjunction with her father. Then in 1958, she and her husband established Sandale Kennels with English Cocker Spaniels of all colours. Over the next two decades they bred, imported and exported this breed very successfully with many in show awards. Labradors were also introduced during the latter period again with much success. Their next breed was the Whippet and that breed interest continued very successfully for some 25 years and involved the importation of dogs to improve our bloodlines. Sandra has judged extensively at International, Breed and All Breed Shows and World Shows in 30 countries.

Miss Kerrie Reeder (NSW)

Kerrie's first family Staffordshire Bull Terriers dated back to 1967 when there was only a handful in the country. The breeding and showing of this breed under the prefix Gamester has carried on for several generations. Kerrie has been judging for forty years in countries including: Natal South Africa, Yorkshire in the UK, Sweden, Philidelphia at the Montgomery Terrier Show USA, New Zealand, Vancouver Canada and all States of Australia. The highlights have been judging and awarding CCs to the Staffordshire Bull Terrier in the UK, judging Nationals in the USA and Canada and the World Terrier Show in Stockholm Sweden.

Dr Lesley Cameron

Lesley's first pedigree dog was a GSP from the renowned Kazia kennels. That started a 35 year journey of exhibiting, breeding and judging. Over the years she has had the pleasure of owning and showing a number of breeds - GSPs, Hungarian Vizslas, Italian Spinoni, English Springer Spaniels, Pointers and Dobermanns. Lesley has bred and exhibited Pointers for many years now, under her prefix Gaelforce. While the Pointer is the main focus of her kennel, she finds it hard to live without at least one Springer and Doberman in the household and on the show team. And they all have to get along with the horses as she also has Norwegian Fjords and Shire Horses. Lesley has judged in all States apart from WA, and in NZ. She has also had the great privilege of judging the Pointer Club of Ireland and English Setter Club of Ireland shows.
