## Mr Fabian Daza

Fabian is a licensed International FCI – Association Club Canino Colombiano All Breeds Judge. Born in Barranquilla, Colombia, Fabian is a Urologist by profession. He has been involved in dog showing from an early age, but his passion for French Bulldogs began when he purchased one in 2003.

Fabian started breeding French Bulldogs in a country region of Colombia. He was able to win Championship titles under the suffix Dazsan Du Upari, and since beginning his breeding, he has endeavoured to own and breed high quality, healthy specimens that compete in Colombia and in other countries across the Americas.

Fabian has also bred Norwich Terriers and Bull Terriers. For many years he has been heavily involved in the education of physicians in his specialty area through several undergraduate and postgraduate programs in Columbia. He has extended this commitment to the canine fancy. As a member of the Columbian Kennel Club Association, he participates actively in all educational events and in the process of training new judges, which he has carried out under the guidance of the Association.

Fabian has been a Board Member of the Kennel Club of Bogota and is currently President of the Kennel Club of Bogota, associated with the ACCC. He has also participated in the FCI Section America and the Caribbean, and been a delegate of Columbia to the General Assembly of the FCI.

Fabian has judged widely, visiting many countries of varying cultures and cynologies, through North and South America, Asia and Europe, including some excellent appointments with great judges and outstanding dogs.

This will be Fabian’s first trip to Australia, as he never accepted an invitation in the past, due mainly to his career commitments in his position at his hospital. However, Fabian gratefully accepted the invitation to adjudicate at the Royal Melbourne Show, and is keen to judge in Australia to confirm what many of his fellow judges have talked about – the beauty and high quality of the Australian dogs along with the hospitality and the great atmosphere of Australian dog shows.
