KRYSTALCOVE BRANDY FIZZ

“Brandy”

16 May 2011

It is hard to believe it has been almost 7 years since I chose my lovely brown girl from Vicki and Graham Birch to be my loyal companion.

She is always eager to meet new people with a vigorously wagging tail and maybe earn a treat or two. How can anyone resist those eyes?

With her endearing cheekiness and occasionally stubborn nature she is expert at subtly letting me know when she wants something or 'to go this way ' Mum.

Always ready to participate in walks, obedience training, a dip into conformation showing; water and carting activities, visiting my Mum in NH or simply laze around the house.

In 2015 she also became a proud Mum to three beautiful puppies and her half sister Melba.

There have been some ups and downs but we look forward to more adventures together.

CAPEBASS PUZZLE PIECE

“Puzzle”

30 December 2010

Puzzle was the first landseer born in the Capebass kennel and ever since she's let us know just how special she is.

Vocal about everything and always wanting to have the last say, there is never a dull moment with her.

She was a fantastic mum too her two litters and has gone on to help raise her grandchildren and great-grandchildren just as well.

Still now at 7 she runs around like a puppy and we hope for many more years with our special girl.

"Mason"

16 September 2010

Mason was chosen from a photo as a 1 day old newborn. I like to think that he was my destiny, we were meant to be together.

Mason flew to Australia from France as a 9 month old puppy. From the moment we met, he knew we were his people. Mason is the sweetest lad you will ever meet, once he knows you and decides that he likes you, you are his friend for life.

Mason is the best big brother to any youngster that enters the house, he is just so easy going.

Not the biggest fan of dog shows, Mason humoured me and together we won many amazing awards including Best Exhibit in Show (Specialty) and Runner Up in Show (Specialty) under specialist judges.

Mason loves his home, and his neighbourhood, where he patrols every evening, making sure the local dogs all get their Mason visit.

Mason has sired many lovely dogs, from 7 litters he produced 7 Champions, 1 Grand Champion and 1 Supreme Champion as well as a smartie that gained his Rally Novice Title and a LCpl daughter in the Australian Army.

Above all, Mason is my heart. His divine nature is hard to resist.

NZ CH MIQUELON GENTLE MAID (IMP NZ)
"Esmerelda"
6 June 2009

On a winters day in July 2009 our eyes met for just a split second, our souls connected and without knowing what, where or how, a magical love story had begun.

In the months to come that feeling of overwhelming love would lead me on the journey to my lifelong passion. That moment, etched in my heart will never be forgotten. That puppy sold to someone else was destined to be mine.

It wasn't for another 6 months and at the age of 7 1/2 months, having been sold by the breeder as a pet, endured a broken marriage and returned to the breeder that this beauty and I reconnected. A chance visit a synchronicity, that moment when 2 lives come together.

She was coming home to where we both knew was her rightful place with a new name and a new purpose.

Esmeralda was to be my first show dog that actually enjoyed showing, and the foundation bitch for our Kennel.

Producing 3 litters and a NZ Champion from each of those 3 litters Esmeralda to us is the quintessential Newfoundland, living up to her name Gentle Maid she is all that and so much more. Not only did she excel in the show ring, she also loved to swim, and loved to cart.

Now retired from the show ring and spending her days doing what she loves, sharing meal times with my 91 year old mother, greeting visitors, demanding to be patted and then demanding you don't stop patting and enjoying the company of everyone in her own calm way.

Esmeralda has allowed me to fulfilled a lifelong dream, to be a breeder, and she has set the bar very high.

Words cannot express our love and gratitude for how she has enriching our lives with her gentle soul.

May we have many more happy years enjoying her company and she enjoying ours while she calmly watches over the legacy she has produced in her progeny

BISS CH KRYSTALCOVE VELVET VALIANT
"Stetson"
24 December 2008

Stetson has had some lovely wins in both All Breeds Championship Shows and Specialty.

Unfortunately, showing was never really high on Stetsons list of things to do that you love 😊 much preferring to be a home bod! And just enjoying the paddocks or walking the lanes around home.

Stetson epitomizes the Newfoundland temperament, being a true gentle giant.
He is a wonderful dog to live and be with.

Owned and adored by Graham and Vicki Birch

2 June 2008

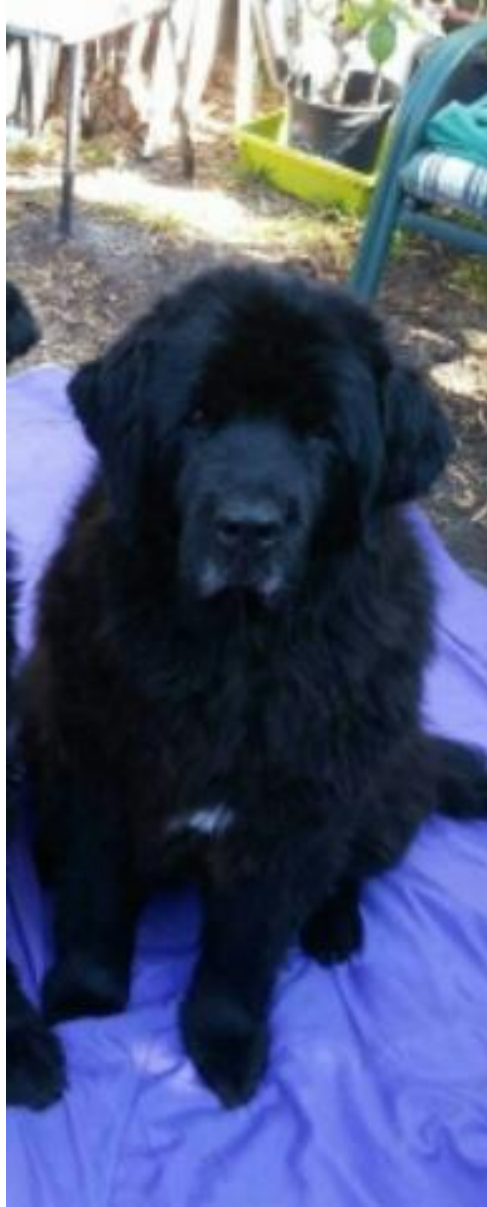

Jack has had a very successful show career. He is well known for his jumping with all four legs off the ground and would often jump when approaching judges!! Jack also thinks all Newfie, Bernese and Pyries are in season!!

He is a magnificent ambassador for the breed. My great love.

"Tiika"
25 August 2004

Tiika was a fantastic mum and foster mum, she really excelled in raising babies.
She was shown and got close to her Title before having to be desexed.
Constant companion of Taygin.
Now at almost 14, Tiika is still doing well, even going to club Expos as a
representative for the breed. She loves the attention.

Tiika is our oldest Veteran this year.
Congratulations to Anne on a truly special girl 😊
