- Dogs may be entered for this Specialty Show without being entered for Melbourne Royal. However we have kept entry fees low to encourage exhibitors to enter to both shows. Extra benching can only be allocated if available on that day.
- Any exhibitor not entering the Royal should contact Pam Tyler as above to arrange an entry pass for the day.
- This Show will be held under the Rules and Regulations of the Victorian Canine Association Inc. A copy may be inspected on the grounds.

**IVAN SANDOVAL (COLOMBIA)**

# The Beagle Club of Victoria Inc

Ivan has been involved in the canine world since 1977, when his parents purchased an Airedale Terrier to show, during which time he developed his great appreciation and love for dogs. In 1987 Ivan purchased his first Airedale Terrier bitch to show, obtaining his first Colombian Championship with her, sealing his involvement in the dog show world thereafter.

Several more Airedales followed this bitch, then, in 1994, he imported his first Welsh Terrier, later importing his first Welsh Terrier brood bitch. Since his last Airedale Terrier passed away in 1997, he has dedicated himself exclusively to the Welsh Terrier breed. Many of his dogs have won well, including significant international wins at all breeds and specialty shows.

Ivan is a former President and Honorary Member of the Colombian National Kennel Club and is currently a member of the Board of Directors. He is past President of the Colombian Terrier Association, being one of its founders. Ivan is also an active member of the Welsh Terrier Club of America and the Airedale Terrier Club of America.

Ivan became an all breeds judge in 2002, and has since judged widely across the globe, including in South and Central America, the Caribbean, Canada, USA, Sweden (International Stockholm HUND 2012), Japan, China, Romania and South Africa. Ivan had the honor of judging the Welsh Terrier Club of America Sweepstakes in the National Specialty at Montgomery County Kennel Club, an assignment voted by the members of the Welsh Terrier Club of America.

Ivan Sandoval is a civil engineer, working in the private sector in the construction business. RASV is delighted to welcome Ivan to Australia, this being his first visit to our shores.
