The committee would like to thank our sponsors, judge, steward, ticket-writer, and VCA representative, all those who have donated trophies and sashes, and everyone who has helped make today's Show a success.

ABOUT OUR JUDGE

I obtained my first purebred dog in 1975. He was a Samoyed and as luck would have it a very good one from a top kennel. With the help of the breeders' daughter we exhibited him quite successfully and two bitches followed to start my kennel "Mezen". I also have a miniature longhaired dachshund and bred a couple of litters.

As much as I enjoy the show ring, the breeding is where my passion lies. I took up judging to enhance my knowledge of dogs and have enjoyed the study. I have judged in NSW, VIC, SA, TAS, QLD and New Zealand. I have also judged Samoyeds in England and Slovakia.

I have a special interest in the Spitz Breeds studying both the subtle and the not so subtle differences between them. I enjoy judging and the challenge of finding the dog that is described in the standard. I have spent much time in discussion with breeders of the various breeds, analysing the merits of various dogs, always spending time with those breeders who were honest and genuine in their praise and fair in their criticism of the dogs. I have a love of all dogs and appreciate a good one no matter the breed.

My daughter Kate is now my partner in the Samoyeds and together we discuss and plan our breedings and the future direction of the kennel.

Helen Hill

TESTIMONIAL

Hi Peter

I thank the day that we found your ad online for the probiotic for dogs. Our little Fox Terrier Mango has been sick for 2 years now and after being on the powder for a week she has improved out of sight. She used to have a shocking rash and swelling in her throat, terrible coat with loss of hair, she had a shocking smell, dehydrated, had gone into having fits. Been to vets all over Australia, as we were travelling when her condition worsened. No vet could diagnose her at all, she was given antibiotics, cortisone, special diets. All failed, even after blood tests, Xrays, biopsy's and medications. Also given intravenous fluids.

Came home with a very sick Mango, saw other vets over Victoria. She would improve a little, but go back to being very sick again. Until.....we found Peter Bryce, He spoke sense to us, sent some of this magic powder, we now have Mango back, her eyes are brighter, she has energy again, she is happy, her coat is soft and doesn't smell anymore, the hair is not falling out all over the place anymore, we also took Peter's advice and changed her diet to vegetables, rice and mince.

She now looks forward to her meals, she is now a healthy weight.

We highly recommend this wonderful product.

Thank you Peter

Kind Regards

From Betty and Bob Smith
