Judge Profile Mrs Matina Butcher (NSW)

Matina Butcher has successfully shown imported and bred Saint Bernard's since establishing her Stiniyasu Kennels in 1982.

Since then she has imported 5 Saint Bernard's from America including 3 American Champions. Her kennel boasts the individual accomplishment of being the first exhibitor to title American imported Saint Bernard's in Australia or New Zealand of the rough and smooth coat variety. She was also the first exhibitor to successfully gain the title of Australian Champion on a Swedish Import in Australia, Aust. Ch. Bernegardens Nothing But Trouble (imp Swe), handling this dog to multiple Best in Show winning under two different American Specialist judges. She holds her Specialty Breed Judging Licence, which she gained in the late 80's, as well as several Gp Licences and has Judged overseas as a Specialist and also Group levels.

As her time as President of The NSW Saint Bernard Club, along with the most dedicated & hard working committee, the Breed Standard was changed to FCI 61 (Country of Origin), The Saint Bernard Club of NSW became Incorporated & our NSW new Logo was created.

During that time the Club ran Obedience Competitions at our 2 NSW Specialty Shows with entries reaching over 100!

On a professional level, Matina holds a Bachelor Degree in Pharmacy from The University of Sydney. She has been involved in running successful business, including 2 Pharmacies and an Interstate Horse Transport Company. She currently owns and manages a Pharmacy at Bowral in The Southern Highlands of NSW. In between this busy schedule she found time to have three children. Two beautiful identical twins girls and a son.

Matina is still active in the Dog Show world Showing or Judging almost every weekend, We would like to welcome Matina for her first appointment Judging the St. Bernard Club Queensland Championship Specialty Show in 2019.

PRESIDENT'S SHOW MESSAGE

Welcome St Bernard enthusiasts, Exhibitors & Breeders to Ring 6 Dogs Queensland Sports Grounds Durack.

Firstly we would like to make you aware this event is live streamed & recorded on the Clubs Facebook page for all to enjoy our show that couldn't make it in person.

Thank you for your entries exhibitors and attendance fanciers of our breed to share our first Championship Specialty Show back by the resurrected St Bernard Club Queensland.

There are so many thank you's but I must start firstly with:

- Australia's longest licensed Breed Specialist Judge, Mrs Matina Butcher, for paying your own airfare to officiate for our struggling club & donating your Judge's fee also, with out this kind of generosity it would have been a very different returning Championship Specialty St. Bernard Show.
- Our major sponsor, Royal Canin for their generous support of our small breed club. A brand many of us choose to use & support for the outstanding results in development and longevity in health to our dogs.
- Our other sponsors Marellen Show Ribbons for our breeder rosettes, Puppy Antix Ware, Draycan Kennels, Pablo, Adam Read, Iva Brewis, Ann Inmon & Ally Turnbull of NSW St. Bernard Club for property classes.
- Mr. Jason Attridge for his time judging our Open Show, we wish him well elevating to Champ Group 6.
- Our Show Manager, Mr. Trevor Sully for his time and electing to not charge the club any portion of his regular Show Manager's fee.
- Our Ring Steward, Donna Connolly, also for her time and not charging us stewarding fees.
- Adam Read, our Treasurer for collecting our Judge from the Airport.
- Ryan Loring or Ryry Smith-HAUSOFSNOW to everyone reading on Facebook, our Secretary for his hard work and dedication in running the Club, Dog Lovers Expo Brisbane, organizing both 2018 & 2019 show's for you & securing sponsorship arrangements for our club, no easy task anymore. As a "younger" exhibitor of St. Bernard's his passion, knowledge, commitment & work for our breed is second to none & has been pleasure to mentor him over the years, myself learning many new things from his pet retail extensive training, pharmaceuticals is a particular passion of Ryan's to stay upto date with.
- And anyone who has brought a plate to share at either Morning tea or Lunch.

Matina will be giving an informal talk for anyone interested at lunch time & possibly there will be some trainee judges in attendance so a breed lecture ringside. We would love to have your dogs for the trainees to go over and learn more about our breed. Knowledge is power and judges become more confident with the more exposure they have to any breed. On behalf of the club I invite you to join us for morning tea and/or lunch.

Public St Bernard enthusiasts, Just a friendly reminder but please all dogs must be kept leashed & clear from ring and assembly area so the dogs can be judged fairly free from distractions. Do also keep them clear of the show dogs unless you are offered an invitation to approach that handler by them. We have a small area opposite the ring 6 for any super eager pet St Bernards, Enjoy the day everyone.

Stacy Guilfoyle of Draycan Kennels est 1989.
