2019 CELEBRATION OF THE BEST - BEST NEUTER**

SATURDAY 7TH DECEMBER 2019
DOGS WEST GROUNDS, SOUTHERN RIVER, WA

Welcome to the THIRD Dogs West - Celebration Of The Best event. We thank you all for your incredible support for this exciting event to the WA Show Calendar, which is the first to showcase the State's Best Show Dogs, Best Puppies & Best Neuters together in one extravaganza !

Sincere congratulations to all exhibitors who have qualified to be here today and our thanks to those attending - we hope you all enjoy your day and we are excited to be able to recognise & celebrate the achievements of your dogs over the past year.

We would like to thank all our sponsors who have been very generous - our major sponsor, Royal Canin, have provided showbags with gifts for each exhibitor to take home and have also enabled us to give our winners in each category a fantastic cash prize in addition to the vouchers & product prizes. Please support the companies who have supported us - their details are included in this catalogue and again we thank them for their generosity.

Last, but by no means least, many thanks to our lovely judges for coming to officiate at our event, and to our MC/Chief Steward Anna Courtman. We hope you all enjoy your assignments!

On behalf of myself and the rest of the Working Party, we hope all exhibitors and spectators alike enjoy the day - wishing the very best of luck to all competitors !

Claire Jensen - Chairman, Dogs West Celebration Of The Best Working Party

BENEFITS OF DNA TESTING

- *Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals*
- *Allows you to screen for relevant diseases – assess genetic status (CLEAR or CARRIER or AFFECTED)*
- *Screens for desirable traits such as coat colours & hair length*
- *A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees*
- *Focusing your testing on your breeding stock will allow you to predict outcomes for future litters*

SO SIMPLE & PAWFECT...

DNA collection is via a non-invasive cheek swab

Test at any age

Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

INCREDIBLE IN EVERY DETAIL

BEST OF BREEDERS.

At ROYAL CANIN®, we obsess over purebred dogs - and the perfect nutrition for each of them. ROYAL CANIN® formulas are developed with each breed's unique needs in mind for superior muscle tone, coat health and digestion.

As a breed expert, you know the right nutrition can unlock the magnificence inside your dogs, and so do we.
