#### Wellbeing of staff and customers

**Exclude staff, volunteers, parents/carers and participants who are unwell.**

All participants, volunteers and officials will be required to declare they are free from symptoms at point of physical entry.

**Provide staff and volunteers with information and training on COVID-19, including when to get tested, physical distancing and cleaning, and how to manage a sick**

**visitor.**

This Covid plan, along with information on Best Practice for Covid management will be provided at point of competition online entry (Participants) and by email (Officials) as well as signage at the event.

**Make staff aware of their leave entitlements if they are sick or required to self-isolate.**

n/a

**Display conditions of entry (website, social media, venue entry).**

Conditions of attendance at the event will be provided at point of online entry (Participants) and by email to officials as well as on relevant social media platforms. A Hygiene Marshal will be assigned to tend the entry gate to mark off participants and officials against the attendees list as they arrive.

**If hiring the facility, consult with the owners/operators to address these requirements to understand what measures may already be in place.**

We have consulted with the Bungendore Show Ground Trust and Grounds Staff and have developed this plan to include their requirements. They will be provided with our plan.

Ensure COVID-19 Safety Plans are in place, where relevant, for:

- **Swimming pools**
- **Indoor recreation facilities**
- **Major recreation facilities**

Premises with an indoor gym must complete the COVID-19 Safety Plan for gyms and register their business through [nsw.gov.au](https://nsw.gov.au). Premises with a food or drink premise must complete the COVID-19 Safety Plan for restaurants and cafes and register their business through [nsw.gov.au](https://nsw.gov.au).

The invited catering van has been requested to provide their Covid Safety Plan.

Ensure processes are in place to exclude participants (including spectators and officials) if they have visited Victoria, or have visited a location in NSW at a time and date that requires them to self-isolate, in the 14 days prior. Locations with self-isolate alerts are

listed on the NSW Government website.

Note: the exclusion of Victorian residents does not apply to those with border region resident permits.

Restrictions for attending this event will be provided at point of online entry (Participants) and by email to volunteers and officials as well as on relevant social media platforms. A Hygiene Marshal will be assigned to tend the entry gate to mark off participants and officials against the attendees list as they arrive.

## **Physical distancing**

**Ensure the number of people in a facility does not exceed one person per 4 square metres of space (excluding staff) to a maximum of 500 people.**

This is an outdoor venue with ample space. Entry numbers to this event will be capped so as to meet the requirement of 1 person/4sqm with a maximum of 400 people attending.

**Spectators singing in groups or chanting/cheering is a particularly high-risk activity and should be avoided where possible.**

n/a

**Minimise co-mingling of participants from different games and timeslots where possible.**

Participants will be requested to remain in close proximity of their designated ring and not co-mingle with other participants.

**Ensure any spectators comply with 1.5 metres physical distance where practical, such as through staggered seating. People who live in the same household are not required to distance.**

The Hygiene Marshal will monitor physical distancing requirements and give advice as applicable. Gazebo's without walls will be required to be 1.5m apart.

**Have strategies in place to manage gatherings that may occur immediately outside the premises, such as with drop off and pick up zones or staggered start/finish times.**

Gatherings around ring entry will be monitored by the ring steward and direction given where needed. Early Marshaling of classes will be discouraged. Marshaling areas will be increased in size to allow handlers room to distance themselves. These will be marked out with colored paint.

**Where possible, encourage participants to avoid carpools with people from different household groups.**

This advice will be included in the General Information provided.

**Reduce crowding wherever possible and promote physical distancing with markers on the floor where people stand or are asked to queue.**

Marshaling areas will be clearly marked out to maintain sufficient room for handlers to distance.

**Ensure communal facilities such as showers, change rooms and lockers have strategies in place to reduce crowding and promote physical distancing.**

Signage indicating maximum occupancy will be displayed at the entry to facilities. The Hygiene Marshal will monitor this.

**Where practical, stagger the use of communal facilities. Strongly encourage participants to shower/change at home where possible.**

n/a

**Use telephone or video platforms for essential staff meetings where practical.**

Committee meetings are held via online platforms.

**Review regular business deliveries and request contactless delivery and invoicing where practical.**

No scheduled or regular deliveries are expected. Ribbons will be delivered via Australia Post.

## **Hygiene and cleaning**

### **Adopt good hand hygiene practices.**

Hand sanitiser will be readily available at various points throughout the event. Signage encouraging the use of sanitiser will be prominently displayed.

### **Ensure hand sanitiser is accessible at the venue entry and throughout the facility or ground.**

It is not feasible to have sanitiser at the venue entry as entry is via vehicle access. Sanitiser will be readily available at various points throughout the event.

### **Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers. Consider providing visual aids above hand wash basins to support effective hand washing.**

Amenities will be checked, cleaned and stocked throughout the event so as to maintain cleanliness and ample availability of consumables. Signage will be posted to encourage best practice.

### **Encourage participants to bring their own water bottle, snacks/orange slices and sweat towels. Avoid shared food and drinks.**

This will be included in the General Information provided.

### **Ensure processes are in place to launder shared uniform items after use, such as bibs or jerseys.**

n/a

### **Clean frequently used indoor hard surface areas, including children's play areas, at least daily; first with detergent and water, and then disinfect. Clean frequently touched areas and surfaces, including in communal facilities, several times per day.**

This will be undertaken by members of the Hygiene Team under the direction of the Hygiene Marshal.

### **Clean indoor hard surface areas used for high intensity sports with detergent and disinfectant after each use.**

n/a

**Reduce sharing of equipment where practical and ensure these are cleaned with detergent and disinfectant between use.**

Benching tables are to be wiped down between exhibits if handlers come into contact with the table. This will be monitored by the ring steward and Hygiene Marshal.

**Ensure there is accessible detergent/disinfectant and gloves for visitors to use, should they wish.**

Ample consumables will be made available.

**Disinfectant solutions need to be maintained at an appropriate strength and used in accordance with the manufacturers' instructions.**

Manufacturers instructions on all cleaning products will be adhered to and monitored by the Hygiene Marshal.

**Staff should wash hands thoroughly with soap and water before and after cleaning.**

Cleaning volunteers will be made aware of Best Practice.

**Encourage contactless payment options.**

Online entry system will be engaged for this event.

---

## **Record keeping**

**Keep a record of name and a mobile number or email address for all staff, volunteers, participants, spectators and contractors attending community sports activities, where this is practical, for a period of at least 28 days. Where possible, personal details should be collected in a way that protects it from disclosure to other customers. Ensure records are used only for the purposes of tracing COVID-19 infections and are stored confidentially and securely.**

We have engaged the services of "Show Manager" to accept entries for this event. This will allow the gathering, checking and keeping of records including all contact information. Show manager also allows volunteers and officials to enter their details as "Attending" so that their information is also collected and stored. All information is stored confidentially and kept for the minimum period required.

**Make your staff and volunteers aware of the COVIDSafe app and its benefits to support contact tracing if required.**

All attendees are encourage to download the Covid Safe App at the point of entry or registration and on the event schedule.

**Community sport organisations should consider registering their business through [nsw.gov.au](https://nsw.gov.au)**

n/a

**Cooperate with NSW Health if contacted in relation to a positive case of COVID-19 at your workplace, and notify SafeWork NSW on 13 10 50.**

All assistance will be given to NSW Health as requested by them. If notified of a positive case affecting our event we will pass on information to Safe Work NSW via the 13 10 50 number provided.

**I agree to keep a copy of this COVID-19 Safety Plan at the business premises**

# COVID-19 Testing

### Who should get tested?

Anyone with cold or flu-like symptoms, even if very mild, should get a COVID-19 test as soon as possible. COVID-19 symptoms include:

- fever e.g. chills, night sweats
- respiratory symptoms such as cough, sore/scratchy throat, runny nose, shortness of breath, loss of smell or taste
- other symptoms including muscle and joint pain, diarrhea, nausea/ vomiting and loss of appetite.

### What to expect when you get tested?

- Testing is free, easy and quick.
- If you have been referred to a testing clinic, please take your referral with you. This is not needed for most clinics.
- Staff at testing and respiratory clinics will be wearing masks, gowns, gloves and face shields.
- Staff will ask you about your symptoms
- Swabs are taken from inside your nose and your throat.

### What happens after I get tested?

- You must stay at home (self-isolate) until you get your test result and are well.
- You cannot leave your home unless you are seeking medical care or in an emergency. You cannot have visitors.
- If your symptoms become serious (e.g. difficulty breathing), call Triple Zero (000). Tell the ambulance staff you have been tested for COVID-19.
- If you are sharing your home with others you should separate yourself in another room. Wear a surgical mask when you are in the same room and keep 1.5 metres away.

- Practice good hygiene. Wash your hands often. Cover your cough or sneeze with your elbow or a tissue.

### Where can I get more information about self-isolating?

<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/resources.aspx>

- If you have been in close contact with a person with COVID-19, you need to stay home for 14 days after you last saw that person. (Close contact includes living in the same household or spending more than 15 minutes face-to-face or 2 hours sharing a closed space, with someone with COVID-19, from 48 hours before they became ill).
- Home isolation applies to all close contacts, even if you are currently feeling well and or have received a negative test result.

### How will I get my results?

- You will usually receive your test result within 24 to 48 hours but please allow up to 72 hours.
- If you had your test done at an Emergency Department or public hospital COVID-19 clinic you can receive your COVID-19 negative test result by SMS if you register for Pathology COVID-19 SMS Results Service. If you don't register you will receive a call from a Public Health officer at your Local Health District.
- If you had your test collected by your GP or at other sites, your doctor will give you your results.

### What happens if I test positive?

- NSW Health will look after you. There will be no cost for your treatment, even if you don't have Medicare.

- Visit a COVID-19 clinic: <https://www.health.nsw.gov.au/Infectious/covid-19/Pages/clinics.aspx>
- OR
- Call your doctor
