

THE SCHNAUZER CLUB OF VICTORIA IS HOSTING A GROOMING SESSION WITH OUR SPECIALTY JUDGE MASAMI URYU

I was born in 1961 in Tokyo and grew up with lots of big dogs in a dog training school, owned by my father.

I started showing dogs when I was 16, and my first JKC champion was a Chihuahua (smooth). I then began showing a Miniature Pinscher bred by my father, which became the No 8 dog in the All Breeds category.

I began showing Miniature Schnauzers in 1984, and I have produced more than 100 JKC champions. I am the President of the Japan Kennel Club Advance Miniature Club, and the owner of the kennel called Joker Land. I received the Pedigree Award for Miniature Schnauzers, 10 years in a row from 2000 to 2010. Joker Land Sky Master, which I bred and showed, won Best in Show in the JKC Champion of Champions show, in which there were 712 Champion dogs from 92 breeds entered. He also won Best of Winners at Montgomery National show in the US in 2008. Other Miniature Schnauzers that I bred also won several BOB's and BOW's in Terrier Specialty shows in the US.

I also won Best Bred by Exhibitor twice at National Terrier Specialty shows in the US. Other breeds I have bred and shown, are Norfolk Terrier, Fox Terrier (wire) Welsh Terrier, Lakeland Terrier, Dachshund (wire) Miniature Pinscher, Chihuahua and Papillion.

I obtained my All Breeds License in 2010.

I retired from showing in May 2011, and became a full time judge in August 2011. In Japan, once handlers become judges, they are no longer allowed to show dogs.

I have written books on "The Miniature Schnauzer" and "How to keep and raise Miniature Schnauzers".

I am looking forward very much to judging the Specialty Show for the Schnauzer Club of Victoria.
